

HP EliteDisplay E271i 27-inch IPS LED Backlit Monitor

A huge screen, customizable comfort, and wide-angle IPS.

IPS goes mainstream with the HP EliteDisplay E271i 27-inch IPS LED Backlit Monitor, a business-class combination of an extra-large screen, extra-wide viewing angles, and extraordinary comfort.

Now see everything

Get great 178-degree viewing angles and stunning color integrity from In-Plane Switching (IPS) technology that lets you share your screen with everyone in the room.

Power through your day in comfort

Customizable tilt, height adjustment, swivel, and pivot settings—the most adjustability available on an HP business display—help you find your sweet spot.

The display also meets TCO Certified Edge requirements for innovative products at the forefront of environmental and ergonomic stand design.

Control your environmental impact

Reduce power consumption and help lower your costs with an intelligent, energy-efficient design that is ENERGY STAR® qualified and EPEAT® Gold registered.¹

The display also includes mercury-free display backlights, low halogen components², and arsenic-free display glass.

Enhance your view

Get crisp, clear content and video from the high contrast ratio and fast response time. Easily connect devices with convenient VGA, DVI, and DisplayPort inputs and the integrated USB hub.

Meet your monitor's new best friend

Personalize your workspace with resizable screen partitions and work in documents, spreadsheets, and e-mail in separate regions of the screen—at the same time—with HP Display Assistant software.

View open applications on all of your connected displays with the expanded toolbar. Deter theft with a user-designated PIN that deactivates the monitor if it's disconnected from a PC without approval.

Breathe easy

Rest assured that your IT investment is supported by a standard, 3-year limited warranty. Select optional HP Care Pack Services³ to extend your protection beyond the standard warranties.

Limited warranty	Protected by HP, including a 3 year standard limited warranty. Optional HP Care Pack Services ³ are extended service contracts that extend your protection beyond the standard warranties.

1. EPEAT® Gold registered models of this product are available where HP registers commercial display products. See www.epeat.net for registration status in your country.

2. External power supplies, power cords, cables and peripherals are not Low Halogen. Service parts obtained after purchase may not be Low Halogen.

3. Service levels and response times for HP Care Pack Services may vary depending on your geographic location. Service starts from date of hardware purchase. Restrictions and limitations apply. HP Care Pack Services extend service contracts beyond the standard warranties. To choose the right level of service for your HP product, use the HP Care Pack Services Lookup Tool at www.hp.com/go/lookuptool. Additional HP Care Pack Services information by product is available at www.hp.com/hps/carepack.

4. All performance specifications represent the typical specifications provided by HP's component manufacturers; actual performance may vary either higher or lower.

5. Each accessory and mounting hardware is sold separately.

6. The HP Quick Release has been designed to support a maximum of up to 24 lbs (10.9 kg) for all devices mounted. Because mounting surfaces vary widely and the final mounting method and configuration may vary, mounting fasteners are not supplied (other than the VESA-compliant screws). HP recommends that you consult with a qualified engineering, architectural or construction professional to determine the appropriate type and quantity of mounting fasteners required for your application and to ensure that your mounting solution is properly installed to support applied loads.
