

# Productivity without boundaries.

DELL ULTRASHARP 27 4K MONITOR | U2718Q

### See the whole picture

Exceptional details on a virtually borderless screen — made for multitasking.

### Get it all done

Effortless to use.  
Easy on the eyes.

### Lifelike visuals

Rich colors, high contrast, brilliant images — Dell HDR.\*\*

### Highly reliable

Dell monitors — the number 1 monitor brand worldwide for four consecutive years.\*

# Productivity without boundaries.

## DELL ULTRASHARP 27 4K MONITOR | U2718Q

### SEE THE WHOLE PICTURE

Exceptional details, ultimate efficiency — a 27" 4K screen with incredibly thin bezels — ideal for multiple monitor setup.

- **Broaden your horizons:** The expansive 27" screen features InfinityEdge, a virtually borderless display on all four sides that lets you see more of your work.
- **Multiply your productivity:** Hone in on every task with a multi-monitor setup and experience a virtually seamless view thanks to ultrathin bezels.
- **Discover the details in stunning color:** See every inch of your projects with Ultra HD (3480 x 2160) 4K resolution— that's four times sharper than Full HD displays. Plus, with an outstanding color depth of 1.07 billion colors, you'll see precise, vivid images in each shade.

### LIFELIKE VISUALS

Images with striking depth captivate your attention and give each job a gorgeous finish.

- **A captivating sight:** Dell HDR\*\* combines greater depth of colors, remarkable clarity and a high contrast range of shades to create strikingly realistic images.
- **Color consistency comes standard:** Factory calibrated at 99.9% sRGB coverage to an accuracy of Delta-E < 2, for precise hues right out of the box. Each monitor features a factory calibration report that guarantees color correctness, so you can trust your projects reflect true color intensity.
- **Uncompromised images:** View your HDR10 content\*\*\* like it was meant to be seen. Even your HDR photos will look like the real thing.

### GET IT ALL DONE

Multitask in comfort — multiple productivity-boosting features.

- **Multitasking made easy:** Tackle multiple tasks at once and stay organized thanks to Easy Arrange, a feature that lets you tile and view applications side by side.
- **Designed with you in mind:** Customize your view with a fully adjustable stand that tilts, swivels, and rotates 90° clockwise or counter-clockwise.
- **Easy on the eyes:** This monitor has a flicker-free screen with ComfortView, which filters out harmful blue light emissions to optimize eye comfort (TUV certified).<sup>1</sup>

### SUPERB RELIABILITY

Comes with Dell's high reliability promise.

- From the #1 monitor brand worldwide for four consecutive years\*
- Enjoy peace of mind with Dell's Premium Panel Guarantee<sup>2</sup>.
- Minimize downtime with Dell's Advanced Exchange Service.<sup>3</sup>
