

HP EliteDesk 800 65W G2 Desktop Mini PC

Don't sacrifice size or power. Get the best of both worlds with the high-performance HP EliteDesk 800 65W Desktop Mini. With a full line of mounting, expansion, and security accessories, this PC fits almost anywhere for an enterprise-class solution.

HP recommends Windows 10 Pro.

- Windows 10 Pro¹
- Intel® 6th Gen Core™ Processors²

Performance for the enterprise

Power through your day with a PC, driven by 6th Gen Intel® Core™ processors² in a new powerful 65W design that also includes Intel® HD Graphics.

Security designed to deter downtime

Get maximum uptime with HP Sure Start with Dynamic Protection, which checks the BIOS throughout the day at regular intervals, HP Client Security Suite's⁵ data protection, and multi-factor authentication.

Versatility to build a better workspace

Deploy the Mini almost anywhere with the VESA-enabled flexible mounting options⁶ including optional accessories, and VESA ready displays. Customize your solution with a full range of expandability, security, and mounting accessories.⁶

Ready to run

This Mini endured 120,000 hours of performance trials during the HP Total Test Process and is designed to undergo MIL-STD 810G testing.⁷ Help keep your PC cool in challenging work environments with HP temperature controls.

Featuring

- Let nothing stand in your way. Help protect from today's security threats and maximize management and productivity features for business with Windows 10 Pro.¹
- Available ENERGY STAR® certified and EPEAT® Gold³ registered models of the HP EliteDesk 800 Desktop Mini. Consume less than 8W of power at idle.
- Simplify IT manageability with Intel® vPro™⁹ and Windows 10 Pro¹ plus HP Common Core BIOS, which enables easy management of your entire fleet of HP devices.
- Get the same HP configuration across the globe for your international enterprise, available in more than 180 countries where HP conducts business.
- Attach your HP Desktop Mini directly behind select HP EliteDisplays.¹⁰
- Increase and performance with an optional powerful HP Turbo Drive⁴ that handles your growing and complex workloads.
- Increase and performance with an optional powerful HP Turbo Drive⁴ that handles your growing and complex workloads.
- Take advantage of HP's Elite Support,¹¹ limited warranty, and Global Series support.

HP EliteDesk 800 65W G2 Desktop Mini PC

Accessories and services (not included)

HP Single Monitor Arm

The HP Single Monitor Arm is the perfect desk accessory for your work life. Sleek and streamlined, the HP Single Monitor Arm is designed to complement the way you work.
Product number: BT861AA

HP Quick Release Bracket

HP Quick Release is an easy to use, 100 mm VESA-compliant, LCD monitor mounting solution that allows you to quickly and securely attach a flat panel monitor to a variety of stands, brackets, arms or wall mounts. HP Quick Release can also be used for mounting any combination of devices that are compatible with the 100 mm VESA Flat Display Mounting Interface Standard. The failsafe "Sure-Lock" mechanism snaps the monitor (or mounted device) securely in place, and can be further secured with a theft-deterrent security screw.
Product number: EM870AA

HP Desktop Mini Security/Dual VESA Sleeve

Wrap your HP Desktop Mini PC in the HP Desktop Mini Security/Dual VESA Sleeve to securely mount your PC behind your display, position your solution on a wall, and lock it down with the optional HP Ultra-Slim Cable Lock.
Product number: G1K22AA

HP Desktop Mini 500GB Hard Drive I/O Module

Add an extra hard drive to your HP Desktop Mini PC and enable compatibility with your existing and legacy peripherals with the HP Desktop Mini 500GB HDD/I/O Module.
Product number: K9Q82AA

HP Desktop Mini DVD ODD Module

Add a DVD Writer to your HP Desktop Mini PC with HP Desktop Mini DVD Writer ODD Module.¹
Product number: K9Q83AA

HP PC Mounting Bracket for Monitors

Customize an altogether better solution with the HP PC Mounting Bracket for Monitors, which lets you attach your HP Desktop Mini, HP Chromebox, or select HP Thin Client directly behind select HP Z Displays and EliteDisplays.
Product number: N6N00AA

HP 3 Year Recover & Restore Service

HP Recover & Restore Service includes recovery of data in the event of data loss due to mechanical failure, accidental deletion, software crash, or malware; onsite operating system restoration and easy access to HP-certified remote diagnosis and troubleshooting. Get help with installation, setup, sync, and troubleshooting for computer operating systems and common software applications.
Product number: U9AN7E

Messaging Footnotes

- ¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.microsoft.com>.
- ² Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance.
- ³ Sold separately or as an optional feature.
- ⁴ Requires Windows.
- ⁵ Mounting hardware required and sold separately.
- ⁶ MIL-STD testing is pending and is not intended to demonstrate fitness for U.S. Department of Defense contract requirements or for military use. Test results are not a guarantee of future performance under these test conditions. Accidental damage or damage under the MIL STD test conditions requires an optional HP Accidental Damage Protection Care Pack.
- ⁷ EPEAT® Gold registered where applicable. EPEAT registration varies by country. See www.epeat.net for registration status by country.
- ⁸ Some functionality of vPro, such as Intel® Active Management Technology and Intel Virtualization Technology, requires additional third party software in order to run. Availability of future "virtual appliances" applications for Intel vPro technology is dependent on third party software providers. Microsoft Windows required.
- ⁹ Displays sold separately, mounting requires HP PC Mounting Bracket for Monitors, sold separately. See product QuickSpecs for exact PC compatibility.
- ¹⁰ Elite support only available in the US and Canada in English.

Technical Specifications Footnotes

- ¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.microsoft.com>.
- ² This system is preinstalled with Windows 7 Professional software and also comes with a license and media for Windows 10 Pro software. You may only use one version of the Windows software at a time. Switching between versions will require you to uninstall one version and install the other version. You must back up all data (files, photos, etc.) before uninstalling and installing operating systems to avoid loss of your data.
- ³ Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance.
- ⁴ For storage drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 36 GB (for Windows 10) of system disk is reserved for system recovery software.
- ⁵ Wireless cards are optional or add-on features and requires separately purchased wireless access point and internet service. Availability of public wireless access points limited. The specifications for the 802.11ac WLAN are draft specifications and are not final. If the final specifications differ from the draft specifications, it may affect the ability of this desktop PC to communicate with other 802.11ac WLAN devices.
- ⁶ HD content required to view HD images.
- ⁷ Optional or add-on feature.
- ⁸ HP ePrint requires an Internet connection to HP web-enabled printer and HP ePrint account registration (for a list of eligible printers, supported documents and image types and other HP ePrint details, see www.hp.com/go/eprintcenter). Print times and connection speeds may vary.
- ⁹ HP PageLift requires Windows 7 or higher.
- ¹⁰ This product ships with TPM 1.2 with option to upgrade to TPM 2.0. Upgrade utility is expected to be available by the end of 2015 via HP Customer Support.
- ¹¹ EPEAT® registered where applicable. EPEAT registration varies by country. See www.epeat.net for registration status by country. See HP's 3rd party option store for solar energy accessory www.hp.com/go/options.
- ¹² External power supplies, power cords, cables and peripherals are not low halogen. Service parts obtained after purchase may not be low halogen.
- ¹³ Intel® Turbo Boost technology requires a PC with a processor with Intel Turbo Boost capability. Intel Turbo Boost performance varies depending on hardware, software and overall system configuration. See www.intel.com/technology/turboboost for more information.
- ¹⁴ HP Drive Lock is not supported on NVMe drives.
